

NINO SERIES BED

Clear Perspex Sides

Handset

Beech Laminate Ends

ENCOURAGING COMMUNICATION AND STIMULATING DEVELOPMENT

The Nino Series allows children to perceive the world around them while at the same time providing protection and security. The transparent Perspex merges with the room allowing occupants to have an unrestricted view of their immediate surroundings yet still protects against falls and injuries. Also available in different powdercoat colours, or with higher door elements or doors on both sides.
