

# SHOWERBUDDY LONG TERM HIRE

AC Mobility is now providing Showerbuddy for long time hire (minimum 3 months)

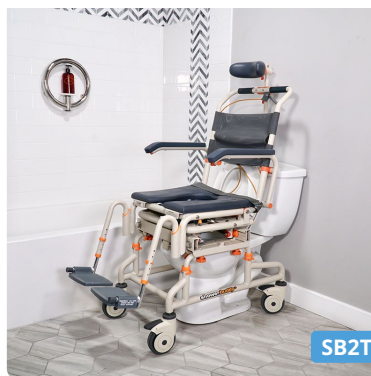

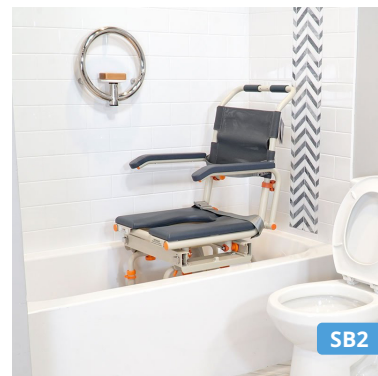

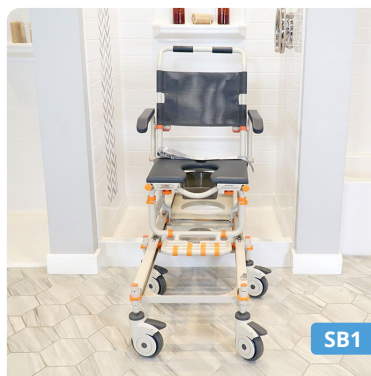

Showerbuddy's transfer range is designed to help mobility impaired users access bathtubs and step-in showers. All products in this range includes the innovative chair-bridge-base system.

Simply download the BathCheck App which allows you to work out if the client's bathroom has sufficient space and the right configuration to allow a Showerbuddy transfer chair to fit in the room. AC Mobility can offer this service at an additional charge if required.

## Download the BathCheck app

Designed by Showerbuddy for use by Allied Health Professionals, mobility specialists & end users to assess the right equipment solution.
