

 **Convaid**

Convaid Cruiser

Lightweight, Compact-Folding, Convenient Fixed-Tilt Buggy

Convaid Cruiser

The Convaid Cruiser is a popular 30° fixed-tilt pediatric buggy that is convenient, lightweight, and compact folding. The Cruiser is made to order to meet each individual requirements. It comes with Convaid's proprietary self-tensioning seating system, Self-Tensio®, which provides increased seating tolerance and can help promote neutral pelvic positioning. It provides growth capability through its seat depth extension system.

Lightweight, Compact-Folding, and Convenient

The Convaid Cruiser is a 30° fixed-tilt buggy that supports postural control through upper body positioning.

Tension adjustable back upholstery

Adjustable straps allows individual adjustment.

One-piece height adjustable push handle

Two-piece push handle option (standard for size 18)

Self-Tensio[®]

Self-Tensio[®] is Convaid's unique self-tensioning seating system which provides pelvic positioning similar to a solid seating system in an umbrella folding rehab buggy.

Tool-less upholstery removal

No tools required to remove for cleaning
