# Convaid Rodeo

Lightweight and Convenient Tilt-in-Space Buggy

# Convaid Rodeo

The Convaid Rodeo is a popular pediatric tilt-in-space buggy that is convenient, lightweight and folds easily. The Rodeo provides up to 45° of adjustable tilt that offers pressure relief and upper body support. Made in order to meet user's specific positioning needs and provides 5 years of growth capability through its seat depth feature. With 2 frame options available (with and without seating), the Rodeo can accommodate aftermarket and extensive seating needs.

# Lightweight, Compact Folding, and Convenient

## Up to 45° adjustable tilt

Provides pressure relief and gives the child a possibility to rest.

## Easily fold

Folding mechanism allows the whole chair, including seating, to fold into a tight (<457mm H) and lightweight (13-18kg) package which fits in the trunk of almost every car.

## Tension adjustable back upholstery

Adjustable straps allows individual adjustment.

## Zippers in seat for foam inserts

Allows for additional seat padding and support.
