Features

The Manatee is suitable for children from the age of 1 year. The depth of the seat can be adjusted, allowing the bathing chair to “grow” with the child. The bathing chair can be placed on an adjustable frame to provide a better working position for the caregiver. Accessories can be added for extra support. The Manatee is available in 4 sizes.

Depth adjustability

The seat of the Manatee is depth adjustable and is able to grow with the child, prolonging the lifespan of the Manatee.

Back and leg adjustability

The Manatee allows effortless adjustments of the back and legs, making it easy to achieve an optimal position for various bathing activities.

Support

Multi-functional cushions can be added to support the head and/or trunk, if the child needs postural-support while bathing. Additional supports can be added for correct position of the trunk and legs.

Compact folding

The Manatee is lightweight and easy to fold. The bathing chair is compact when folded, which makes it easier to store, when not in use and easy to transport.

Product solution

Individual product solutions can be obtained by adding accessories to the R82 Manatee. To add comfort and functionality, a range of accessories are available. By providing the optimum support, the user might increase functional abilities and feel extra comfortable in the chair.
